

Laurentian Hardwood – Urban Collection – Gevaldo & Kendall 3” Warranty & Maintenance

WARRANTY

LM Flooring warrants that the Maximus™ Aluminum Oxide Finish will not wear through under normal residential conditions for a period of 25 years, or light commercial conditions for a period of 5 years from the date of purchase, provided the proper maintenance guidelines are followed.

ROUTINE MAINTENANCE

Sweep or vacuum the floor frequently to remove loose dirt before it can scratch or be ground into the floor's surface. Wipe up spills immediately. For spot cleaning, use hardwood flooring cleaner made for use with a urethane finish and follow the manufacturers recommended cleaning procedures. Never apply wax or cleaning products that are not specifically made for use with urethane finished hardwood flooring.
